

PET LOSS SUPPORT GROUP
OCEAN STATE VETERINARY SPECIALISTS
SUSAN HAMIN LMHC

*We at OSVS know how hard it is to lose a beloved pet and would like to offer our support during this difficult time. As part of our commitment to our clients and the human-animal bond, we offer a **Pet Loss Support Group**.*

The group provides a supportive place to share with others who are experiencing a similar loss. Many people wonder if their grief is “normal” and can be surprised at how it impacts them. Grief is a testimony to the importance of the relationship lost and the depth of love shared.

Our Pet Loss Support Group provides:

- A safe and compassionate group that can validate your experience and move you towards mending your broken heart
- Information about the grief process, coping skills and self-care
- Discussion of memorial and ritual ideas to honor your pet's life
- Finding an enduring connection with your pet while moving forward

Group is open to clients and the community and there is no fee to attend, although a small donation would be appreciated to help support our financial assistance fund for pets in need.

You are welcome to bring a photo or memento of your pet to share with the group.

Day: every other Wednesday

Time: 6 - 7:30pm

Location: OSVS, 1480 So County Trail, East Greenwich

If you are interested in attending a group or have any questions, please contact:
